WORK EXPERIENCE

Mobile developer Wayz Services

06/2025 - Present

Tasks

- Develop and maintain multiple mobile projects using React Native and TypeScript
- Communicate with the backend team to ensure seamless code integration

Web, Mobile & AI developer X-Tends

12/2024 - 06/2025

Tasks

- Developed many projects as a web and mobile frontend developer
- Explored AI development by building an AI agent using LangChain and Python

Spring Boot Internship BlueRing

08/2024 - 10/2024

Tasks

- Developed web applications using Java and the Spring Framework, including Spring Boot for rapid application development

Frontend Internship Eurisko Mobility

02/2024 - 06/2024

Tasks

- Developed mobile and web features using React, Next.js, and React Native
- Utilized libraries like Redux to manage state and improve application performance.

Python Internship BotThinks

06/2023 - 09/2023

Achievements/Tasks

- Built a Telegram bot using Python and Flask that automatically replies to specific commands

EDUCATION

Bachelor of Information Technology Notre Dame University- Louize (NDU)

09/2020 - 05/2024

SKILLS

ReactJS

React Native

NextJS

Python

C++

C#

NestJS

TypeScript

Git

PostgreSQL

MYSQL

Data Analysis in Python

ORM

PERSONAL PROJECTS

WAYZ Customer and WAYZ Business mobile apps

- Developed the frontend for 2 mobile apps on Android and IOS using Expo React Native and a few native codes.
- Handled the messaging socket and OneSignal integration for notifications on both frontend and backend (ExpressJS)
- Set up both apps for store review on Google Play Console.

Home History Real Estate web app

- Built a full complex web app for real estate using NextJS for frontend and NestJS for backend with Supabase as cloud server and PostgreSQL for database
- Used Prisma ORM for database schema and CRUD operations.

ACHIEVEMENTS

CISCO Introduction to Cybersecurity
(09/2024 - 10/2024)

CISCO Introduction to Modern AI (02/2025 - 03/2025)

CISCO Introduction to Data Science (02/2025 - 03/2025)

LANGUAGES

Arabic
Native or Bilingual Proficiency

English
Full Professional Proficiency

French
Professional Working Proficiency
